

PRAYER TO OUR LADY OF SEIDNAYA

Our Lady of Seidnaya,
Your intercession has brought joy to so many women;
We pray for all those suffering from infertility,
Couples like Rebecca and Isaac
Women like Hanna and Rachel
Who longed for children
We ask that you might remember them
And ask the Father of Life to bless them with children
Comfort those who remain childless and keep them close
For we are all called to love and be loved
And to build a new culture of life and love.
